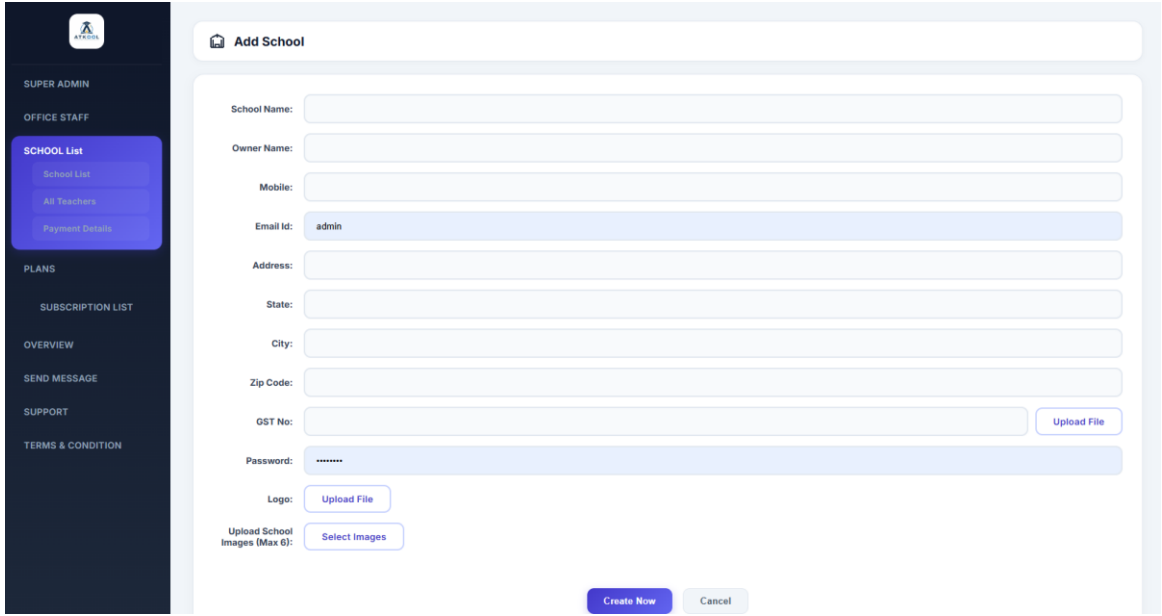
ATKool: Next-Generation School Management

Comprehensive, intuitive, and designed to empower educational institutions.

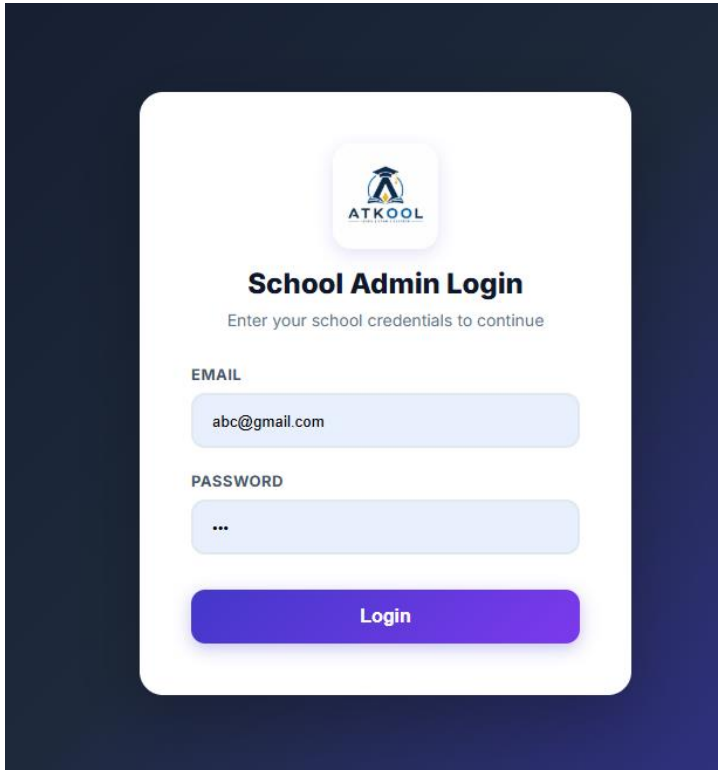
1. Super Admin Dashboard & School Creation

- Complete platform visibility and analytics.
- Create new school instances with a few clicks.
- Manage pricing plans and onboarding securely.



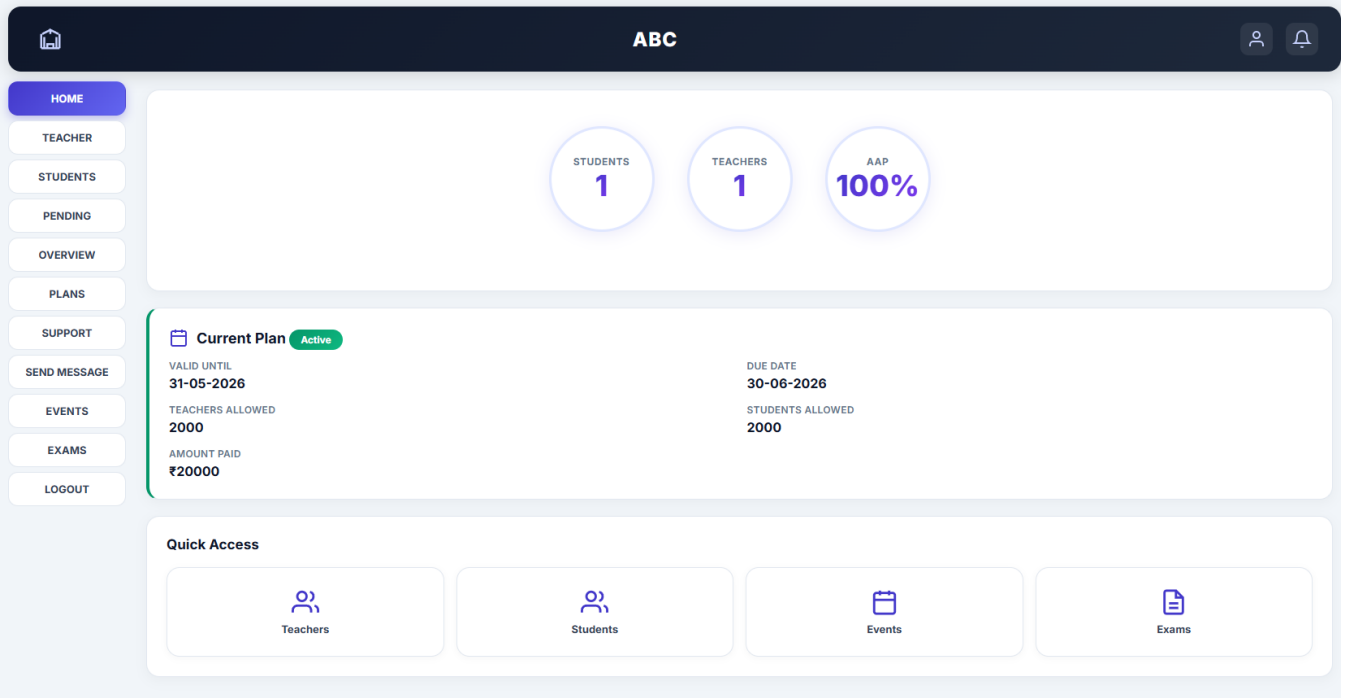
2. School Admin Login

- Secure entry for newly created schools.
- School admins log in using provided credentials.
- Beautiful, premium Royal Indigo interface.



3. School Admin Dashboard

- High-level overview of daily operations.
- Real-time stats: Students, Teachers, Pending Approvals.
- Quick access links for rapid navigation.



4. Managing People

Teachers & Students Module:

- Directory listing with status indicators.
- Add, edit, or approve pending requests easily.
- Professional table designs with smooth interactions.
